

ANNUAL REPORT OF ST STEPHEN'S PUBLIC SCHOOL,  
UKHRA

(2024-25)

This year was an eventful one in the field of academics as well as in extracurricular field. NEP2020 brought in a new dimension to teaching learning process. Our methodology of teaching learning process was modified which included reformulation of syllabus, introduction of diversified evaluation technique and participation of children in subject enrichment activities as well as in sports for holistic development of child was sought for in this session.

**ACADEMICS:**

1. Students participated in Olympiad and quite a few were eligible for appearing in second round of IEO, IMO and NSO competition.
2. Skill education classes were introduced as per NEP guidelines in classes 6, 7 and 8.
3. Curriculum was designed into subunits in accordance with the evaluation plan and academic calendar.
4. New Question format introduced which included majority of competency based questions. There was inclusion of assertion and reasoning case studies data based questions.
5. Evaluation of a child at the end of session based on Annual, monthly, periodic test, assignment, project/notebooks to be done. Accordingly Annual Report card redesigned.

**EXTRACURRICULAR ACTIVITIES:**

1. Drawing competition held for students till class 5. Students love to express their imaginations through their pencil and colours in drawing class.
2. Students enjoy sports , yoga ,dance and music classes throughout the week.
3. Eco club in our school planted trees in our campus with the help of Lions club, Ukhra.
4. Celebration of Independence day, Rabindra Jayanti by students was also appreciated by parents and staff.

5. Science club organized the science quiz competition and helped in organizing the science models during Annual exhibition.
6. Creative writing for children of class 6- 8 was conducted by the Language teachers.

### EVENTS:

1. Annual sports Day observed for two days dedicated to primary and secondary section exclusively. It gave wonderful opportunity to all students to rediscover their potentialities.
2. Annual exhibition was arranged on 30<sup>th</sup> November 24 where children displayed their innovative ideas nurturing creative and cognitive development of child .The parents highly appreciated their child's effort.
3. Role-play competition--Spark for tiny tots helped teachers as well as parents to appreciate and discover the child's talent.
4. Mock drill for staff and students organised in campus in case of emergency like fire or natural disaster.
5. A medical camp was organised in our campus for the students where doctors from Mission Hospital, Durgapur checked our students' health.

We enjoyed the session as we experimented with different methodologies appropriate for classes as well as the effectiveness of the evaluative tools .The children enjoyed participating in different activities and gave a good performance in the events.
